

(63) "PITTER PATTER RAINDROPS" (A)

Children grasp the parachute firmly and whilst they are repeating

"PITTER PATTER RAINDROPS, LISTEN TO THE RAIN" (x2)
they ripple the 'chute vigorously (*like rain hitting water*).

Children then mushroom the 'chute twice whilst repeating
"RAIN, RAIN, GO AWAY, COME AGAIN ANOTHER DAY" (x2).

(64) "PITTER PATTER RAINDROPS" (B)

It is possible to use the same action song but change the activity completely:
Put a number of small sponge balls on top of the parachute and hold it taut.

"PITTER PATTER RAINDROPS, LISTEN TO THE RAIN" (x2)
(*Children ripple the 'chute gently to keep balls on*)

"RAIN, RAIN, GO AWAY, COME AGAIN ANOTHER DAY" (x2)
(*Children ripple and shake the 'chute vigorously to try and shake the balls off*)
