

Nine Story Journeys

Working Large Pack

Inside your Working Large card pack you will find one full set of colour Working Large cards to be laminated and cut individually along the guidelines to complete. This example set is to be used and is also a colour guide to assist when reproducing multiple sets for your class.

There is also a black and white master set of Working Large cards that can be photocopied onto corresponding colour cards to reproduce multiple full sets if required. For each set it is advisable to laminate every sheet to make them re-usable and increase the longevity. By cutting along the guidelines of each individual card the pack will be complete.

The Working Large Pack comprises:-

- * 1 Full set of "Working Large" on cards of the correct colours
